

Kitchen Sink Mixers

A new collection to match your vision

These days, kitchens come in a huge variety of sizes and styles. Whether you're building a new home or renovating, Dorf has the kitchen sink mixer to match.

POSEIDON

'Statement' gooseneck kitchen mixer with a matt black, powder-coated finish. Simple pin handle design for easy control. WELS 5 Star rating for water efficiency. Available in Matt black and full Chrome.

VIXEN

Combines good looks and functionality. Gooseneck design with pull down, retractable hand piece for the high performance kitchen. Available in three options. Matt Black with Chrome trim, Matt White with Chrome trim or full Chrome as pictured above.

HEPBURN

Streamlined and elegant, with a distinctive tower style body. The extended handle provides greater accessibility and the ergonomic, non slip grip lever allows for effortless control. Finished in durable chrome.

VILLA

Sleek, contemporary looks, with a rounded, circular profile that softens its signature upswept angles. Complements a range of kitchen styles, from traditional to contemporary. Finished in durable chrome.

A lifetime of experience.

Combining the highest quality craftsmanship with advanced engineering techniques, we have built a reputation for innovative kitchen, bathroom and laundry tapware.

The Dorf logo consists of the word "dorf" in a lowercase, sans-serif font, with a thin white horizontal line underneath the letters. The logo is set against a black square background.

ENIGMA

Refined, geometric looks, yet robust enough for the demands of a family. Its slim tower design features a flat top swivel outlet. Finished in polished chrome for a clean modern design statement. Enigma's 28mm ceramic disc mixer cartridge enables its slim, sleek body design.

Dorf Kitchen Sink Mixers offer the following benefits:

- Solid brass construction for added durability and reliability
- 35mm ceramic disc mixer cartridges allow smoother, more streamlined movement
- European Soft Pex hoses provide longer life and are free from impurities
- Mixers carry a WELS 4 Star Rating for water efficiency*
- Can be paired with selected Clark kitchen sinks to make the perfect kitchen combination
- 15-year warranty
